Notes: All karts & Bikes will be inspected before they are allowed on the track. Rules for the event are posted on GVKC website but are typical of most vintage events.

All drivers running on the track will be required to have a **drivers pass** and to wear the proper required safety equipment. (See Page 2)

(All minibikes must have folding foot pegs to be allowed on the track)

Kart & Minibike drivers participating on the track will need a drivers pass.

*Structured Practice will be open track for each classification rotating through the order. (approximately 15minutes for each group and then repeating until the allotted time is over)

Due to limited space in the asphalt pits, vehicles will be allowed in those areas for loading and unloading only unless attendance requires otherwise at the promotor's discretion.

Event Rules & Regulations

Safety:

Any Kart or Bike driver running on the track will be required to wear the proper required safety equipment including a Snell 2010 approved helmet, neck support, long pants, gloves, abrasion resistant jacket and hard shoes for minibike riders. This is required by our NKA insurance carrier.

There will be absolutely NO driving of Karts or Minibikes in ANY of the pit areas.

There will be no riding of minibikes anywhere on the facility grounds.

There will be no children under 10 years old allowed in the asphalt pit areas.

Children 11 years and older are required to have a pit pass.

Equipment:

Karts allowed for the event must be **1972 or earlier models.**

Tech inspection for karts using the track will require the following:

All parts of the brake and steering must be safety wired or cotter pinned.

Tires must be of the vintage "square edged" type, no modern tires allowed.

General good operating condition as deemed by the inspector.

Minibikes for the event must be **1972 or earlier models.**

Tech inspection for bikes using the track will require the following:

All bikes participating in parades must have folding foot pegs

Tires must be in good condition

Brakes must be in good operating condition.

General good operating condition as deemed by the inspector.

Track & Driving courtesy:

THIS IS NOT A RACING EVENT!!!

The intent of this event is to appreciate, show and operate our antique and vintage equipment. Track times are for fun only and not for racing. Dangerous actions will be dealt accordingly which could result in ejection from the facility if necessary. We want this to be a fun and safe weekend for all attending so courtesy, consideration, care and safety are the watch words for the event.

Note from the promoters:

We are hoping this to be a very enjoyable and safe weekend of fun, food and comradery for all attending. If this goes well we hope to make it a yearly event so let us all do our best to make that happen. We look forward to seeing you and meeting new people who we hope will be attending
