ILLUSTRATED PARTS LIST

FEBRUARY 1963

The following pages contain an illustrated parts list for the MC40 Kart Engine. Due to small differences between engines, it is important that the Serial Number of your Kart Engine be included whenever spare parts are ordered. This will assure receiving the proper parts from your dealer.

The McCulloch Corporation reserves the right to modify or change specifications without (1) prior notification or (2) obligation to back-fit or supply back-fit components for units previously shipped from the factory.
